

2.400 COMMITTEES OF COUNCIL: MISCELLANEOUS

2.404 Pastors to Pastors

- A. A Pastors to Pastors Ministry Team is to be appointed by the Executive Presbyter. The goals of this team will be to:
 - 1. visit clergy;
 - 2. greet them on behalf of the Presbytery;
 - 3. offer friendship, encouragement;
 - 4. inspire, console, and strengthen the ties with the rest of the Presbytery
 - 5. help break the cycle of loneliness and isolation.

- B. Confidentiality is a major concern. Realizing that some form of supervision must be maintained, it is recommended that the team be under the direction of the Executive Presbyter.

- C. In general, the goal of the program is to provide pastoral presence for those who have traditionally been without it, that is, the pastors.
