PW Partnerships with our Native Neighbors

By Marilyn Stone, Coordinator of the Native American Concerns Committee
Synod of Lakes and Prairies

"Who are our Native neighbors

and how can we develop relationships with them?

Our PW Synod has created partnerships with our Native neighbors on reservations in North Dakota and South Dakota, and have built relationships with women in the Native Presbyterian Churches in Dakota Presbytery.

We'll discuss causes for historical and generational trauma affecting our Native neighbors and ways we can support their efforts.
